Jakarta, Indonesia

SUMMARY

I am a graduate of computer engineering with a specialization in software engineering from Bina Sarana Informatika University. In a work environment, I am always committed to giving my best. If at any point I encounter failure, I will take valuable lessons from that situation and use it as motivation to continue advancing and developing.

EDUCATION

SMK Diponegoro 1
Computer and Network Engineering
2016 – 2019

Universitas Bina Sarana Informatika
Computer Science
Software Engineering
2019 – 2023

SKILLS

Soft Skill :
- Communication
- Analytical Thinking
- Teamwork
- Problem Solving
- Time Management

Hard Skill :
- IT Support
- Network Configuration and Management
- Dedicated & Virtual Server Administration
- Web Server Configuration
- Web Application Development PHP Programming Language
- Codeigniter Framework
- Laravel Framework
- Electrical Installation
